

Mart in the Park: Art and Homebased Vendors Guidelines

1. Mart in the Park vendors must *sell new items* that they have made or sell through catalog or multi-level companies.
2. All vendor tents must measure 10 feet by 10 feet. If a vendor has no other option and must bring a tent larger or smaller than 10 feet by 10 feet, the vendor must notify Melissa Miller, 480-2839, at least 30 days prior to the event. Failure to do so may result in dismissal from Mart in the Park.
3. If a vendor wants to have some other method of displaying their goods, such as a trailer, the vendor must notify Mart in the Park personnel before July 1st and must pay any extra booth fees needed to cover the size of the trailer or similar item. Without payment and prior notice, trailers will not be allowed on the Park grounds.
4. No vehicles are allowed on the grass during Mart in the Park hours.
5. Vendors' items must adhere to the family friendly atmosphere at the park.
6. No soliciting or campaigning is allowed in the park. No flyers, coupons, postcards, or posters of any kind may be handed out by any person affiliated with any program, group, club, restaurant, or political party. The only exception is business card exchanges with vendors and/or members of the Mart in the Park committee.
7. No alcoholic beverages or drugs are allowed in the park during Mart in the Park.
8. Madison Christian School and members of the Mart in the Park committee reserve the right to ask any shopper, participant, or vendor to leave the show at any time.
9. No political party or politically affiliated group is allowed to have a booth at Mart in the Park. Mart in the Park is meant to be an enjoyable outdoor shopping experience.
10. No pets allowed. Working service animals are the only exception.
